

Report to the Kentucky Library Association Board
Communications Committee
Louisville, KY
September 11, 2013

I have continued to update Facebook and Twitter with association information. As of September 1, 2013, the KLA Facebook has 180 likes and can be liked at www.facebook.com/KentuckyLibraryAssociation, and the Twitter account has 57 followers and can be followed @KYLibAsn or by visiting twitter.com/KYLibAsn.

We will be using #KLA2013 for social media information about the KLA/KASL Conference in September.

The Committee voted by email correspondence on the recipient of the *Kentucky Libraries* Award. This year's recipient is John Chenault for his article "Investigating and Improving Medical Education and Library Resources at the Tamale Teaching Hospital in Northern Ghana: a Case Report."

Respectfully submitted,

Emily Krug
Communications Chair
